is before you need them.

New superintendent at Grass Lake

**Albert J. Palucci
replaces Paulausky**

By JERRY PFARR

The Grass Lake school district will have a new superintendent on July 1.

He is Albert J. Palucci of 915 Brentwood Lane, Lake Villa. Mr. Palucci currently is principal of an elementary school in Lincolnshire.

He will replace Gene Paulausky, who has been Grass Lake's superintendent the last two years, since he replaced William Hart.

The Antioch News was unable to reach Mr. Paulausky to learn of his plans for the future.

MR. PALUCCI SAID yesterday that he knew Mr. Paulausky had resigned but didn't know what his plans were.

Mr. Palucci and his wife, Janice, have three daughters: Jenny 13, Jill 9 and Jacque 5.

A year ago, Paulausky told the Grass Lake school board that he planned to leave the post after only one year on the job.

A school board member, who praised the job he was doing, said Paulausky had been receiving threatening phone calls and critical, unsigned letters.

AT THAT TIME, Paulausky said he planned to pursue work on the university level. He has a doctorate degree.

Then, nearly 100 persons gathered at the school for a "Parents' Rally," asking Paulausky to reconsider his decision to leave.

Students attended, too, displaying homemade signs that said, "You've done a good job for us - Please reconsider!" and "We need you, please stay." Another sign at the rally said:

"This has been a happy year for us. Please stay!"

Paulausky said: "I am very appreciative of the gesture made by the community."

He stayed for another year.

JEANNE HANDSCHIEGEL, a member of the school board of four years, said Paulausky is interviewing for various jobs.

"I think wherever he goes the people will benefit by his presence," Mrs. Handschiegel said. "He did a great job here ... he loves the children and that's obvious in all the programs he instituted here. They were things the children never had. Not only are we losing a superintendent, we are losing a good friend. I can't speak for the rest of the school."

Please turn to page 2

A SURPRISE PARTY was held last week for William E. Brook (third from left), president of the State Bank of Antioch. Mr. Brook was surprised by his employees, directors and friends after the bank closed for the day. "I had no idea it was my 40th anniversary here," said Mr. Brook. "I figured I was invited to the

cafeteria to help celebrate someone else's birthday. In fact, if I remember correctly, I've been working for the bank for 41 or 42 years." Regardless, a good time was had, gifts were presented and good-natured speeches sparked the occasion. In this photo, from left, are Dr. James Kopriva, Jim McMillen, Mr. and Mrs. Brook, Irv Carey, Ted Larson and Jack Fields.

Antioch Lions Club plans many events

A pool party on Saturday, July 9, and a golf and tennis outing on Wednesday, July 27, are the first two events on a busy summer and fall schedule planned by the Antioch Lions Club.

Here is a rundown of the club's schedule from now until Oct. 14.

July 9 - POOL PARTY - 7 p.m. at the Antioch Country Club. After doing 90 laps in the pool,

Jaycees plan banquet

The Antioch Jaycees will hold their annual installation of new officers and awards banquet on Saturday, June 18.

The banquet is being held at the Country House. Cocktails start at 6 p.m. and dinner is at 7. Dinner is a choice of prime rib or shrimp.

Members should respond to Paul Kinas at 395-2700 or Bob Dubs at 587-0700 during business hours to confirm their attendance and choice of dinner menu.

Chamber gets ready

A raffle, with prize drawings throughout the day, will be held in conjunction with the Antioch Chamber of Commerce & Industry's 5th annual

Please turn to page 3

members can relax and enjoy the food while listening to music.

July 27 - GOLF & TENNIS OUTING. Location: Abbey Springs. Two committees are working on this event, so look out! Cliff Houghton and Jim Fields head the committees.

Aug. 7 - CHICKEN BAR-B-QUE - Walt Shepard and others have been hard at work. "Start looking for auction possibilities and begin practicing chicken cooking in your backyard," Shepard said.

Aug. - Sept. - SWIM-A-THON - Date uncertain but a huge fun and fund raiser. Bill Stanley, former college swimming star, is the chairman.

Sept. 11 - LION SAFARI TRAPSHOOT - Northern Ill. Conservation Club. Bill Brook and Dave Bushing are in charge.

Sept. 23, 24 & 25 - LA LA PALOOZA - Rte. 21 and 120. Thirteen clubs in a joint effort. Jay Dziki and Bob Lindquist head the Antioch committee.

Oct. 9 - S.O.S. DAY - 2 shifts at Antioch High School.

Oct. 14 - CANDY DAY - Bud Scichowski is chairman.

CAR RAFFLE FUND RAISER - 1st prize: an automobile or \$2,500 cash; 2nd prize, trip for 2 for one week to the Bahamas. 1,500 tickets at \$5 a ticket. Drawing at the chicken bar-b-que. Brad Ipsen and Glenn Hendrickson are heading this project.

BEEF RAFFLE FUND RAISER - Ed Rosquist. WHEELBARROW BOOZE RAFFLE - Fund and spirit raiser. Gus Costoff and Tom Haley.

SCULPTURE - Planning is proceeding. Jack Fields is chairman.

Bike rodeo here today

Bike riders, age 6 through 17, will be competing for a grand prize 10-speed bike and a total of 18 trophies and medals in the State Bank sponsored Bicycle Safety Rodeo scheduled today (Wednesday) from 1 p.m. to 5 p.m. (Rain date June 22.)

The safety rodeo, designated for the Illinois Bicycle Safety Program, will take place in the State Bank parking lot where participants can register after 1 p.m. through 5 p.m.

The first 300 participants to register will receive a complimentary set of reflectors for their bikes.

All registrants will be given bicycle safety materials provided by the office of the Secretary of State.

CLC NEWS

The College of Lake County is offering social science and mathematics courses on a special six-week summer schedule.

The condensed courses are designed to accommodate the tight schedules of students who recently graduated from area high schools or who are on short class breaks from universities and colleges.

Classes, meeting four days a week for one hour and 40 minutes, begin June 20 and end June 28.

Under the new program, CLC is offering a few classes, each with three semester hours of transfer credit.

Courses include "Introduction to Psychology," "Social Problems," and "Introduction to Criminology."

Information can be obtained by calling the social science division office, 223-6601, ext. 260.

Courses in mathematics include "Intermediate Algebra" and "Topics in Math 1." Both courses offer three semester hours of credit. For information about the mathematics courses, call 223-6601, ext. 292.

WALTER KOZIOL, retired president of Charmglow Productions Inc., was awarded the Grove School Humanitarian Award on behalf of the children at the school for the multiply handicapped. Koziol was presented the award by Grove founder and president, Virginia Matson for "his generous interest and continuous efforts to support the programs and work of Grove School." Also receiving the school's Humanitarian Award were: the Antioch Mental Health Association and Angela Maras, public relations director of Hawthorne Center.

New superintendent at Grass Lake

Continued from page 1

board, but I know that's how they all feel. The kids loved him, too."

She said Paulausky is leaving because he would like to move ahead and "there was a lot of community pressure from a small minority that made it very, very tough for him."

Dr. Paulausky was a mover," she said. "He wanted to bring so many new fields to the students ... some people didn't appreciate what a man who has devoted his lifetime to education brought to Grass Lake school."

"When he came in," she added, "we had a mess.

We were broke and we threw everything in his lap."

"He spent many weekends and holidays at the school, organizing the books and the files and he was bringing us out of the hole without cutting back any of the programs," Mrs. Handschiegel said.

"If a child or parent had a problem, they could walk into his office and he'd listen to them. To tell you the numerous things he did for these kids would take me all day. We're very sorry to see him go, because he cared," she added.

Mr. Palucci comes to Grass Lake highly recommended, Mrs. Handschiegel said.

"He has my support 100 percent. The people I've spoken to have the highest regard for him," she said.

Arts, Crafts and Antiques Fair and "All-American" Festival on Sunday, July 10.

Raffle prizes include a Pickard Plate, a wrist watch (donated by Ashland Jewelers), a Charmglow Gas Grill and Electric Outdoor Bug Light, and a grand prize of a \$500 Savings Bond (donated by the State Bank of Antioch and the Antioch Savings & Loan).

THE FESTIVAL DAY will begin with a pancake breakfast from 7 to 11 a.m.

Tickets will be sold in advance as well as at the door for the raffle and breakfast. Advance ticket outlets are the State Bank of Antioch, Antioch Savings and Loan, First National Bank, and the Chamber office.

Following the pancake breakfast, from 11 a.m. to 6 p.m., more than 100 artists will display their wares on the parking lot west of Broadway St., where all festival activities will be held.

ENTERTAINMENT HAS BEEN scheduled from 12 noon till 9 p.m., including skits from the PM&L Theatre's "My Fair Lady," Willy Necker's "Leaping Dalmation" dog show at 2 p.m., and a magician at 4 p.m.

Fire Department water fights will begin at 6 p.m.

Beer and food will be sold from 11 a.m. until 9 p.m. by area service clubs and organizations.

For further information about festival activities or art fair entry forms, contact the Chamber office at 395-3381

a tax shelter
while you're
earning ...

... an income
when you retire!

*INDIVIDUAL RETIREMENT ACCOUNT

The big tax savings in the IRA plan are available to you if you are not actively participating in a tax-qualified pension plan. And working for a company that has a pension plan does not disqualify you until you are actually included in the company's plan. The IRA plan is open to both full-time and part-time employees, including a spouse working full or part time, students with part time jobs, and self-employed individuals not covered by the Keogh plan.

Each year you can set aside in a qualified IRA plan up to 15 percent of your earned income (but not exceeding \$1500 yearly), free of current federal income taxes. You can deposit a lump sum once a year - or deposit smaller amounts periodically if you prefer. What's more, the income earned by the Individual Retirement Account is also exempt from federal taxes until you actually begin to make withdrawals from the account. And you can still take advantage of the standard income tax deduction when you are in the IRA plan. Keep in mind that the sooner you start, the earlier your savings begin to earn and grow.

Carter's energy plan lacks that old American appeal

By RONALD REAGAN

Will President Carter's energy plan self-destruct? Though his determination to sell it should not be underestimated for the short run, the plan lacks one important element that could keep the American people rallied behind it for several years.

That element is hope for an even better tomorrow.

AMERICANS WILL SACRIFICE if they think there is a positive goal. The Carter plan, resting almost entirely on conservation of energy, misses the opportunity to ask them to meet the ultimate energy challenge. That is to accelerate the shift to new sources by committing huge amounts of money, manpower, experimentation and technology to it. Instead, the President's basic message is "cut back."

Economist Eliot Janeway put the problem of such a message in a nutshell. "Suffering sounds good," he said, "until the time comes for everyone to have a taste of it. Moreover, no exercise in belt-tightening is ever good for more than six months."

TRUE, AMONG MR. CARTER'S stated goals is a two-thirds increase in coal production. But, unless on-site gasification can be perfected (and that will take plenty of money and technical development), traditional strip mining is going to run into a political buzzsaw with the environmentalists. Even if the coal plan survives, the burning of all that coal isn't going to make the air any cleaner.

Mr. Carter dispatched an army of spokesmen into the field to sell the public on his plan. This massive effort - everything from Johnny Carson interviews to John Denver commercials - burned up a lot of human energy and will keep attention focused on the need to conserve for awhile.

But Mr. Carter missed quite an opportunity when he neglected to couple his call for conservation with a call for a more positive long-range solution to declining oil and natural gas supplies.

HE NEED NOT have looked far for a successful

model. In 1961, President John Kennedy set as a national goal a lunar landing within the decade. The landing was made on July 20, 1969.

Kennedy had said it would take billions of dollars and an all-out commitment by the American people, but it would be worth it because it would stretch the horizons of man's knowledge and thus would lead to a better world. That, in effect, is how he marketed it.

The space program has long since had far-reaching effects on national defense technology, on communications, medical care and many other fields.

AT THE TIME, Kennedy had a short-range objective, too. That was to stay ahead of the Russians. But, he put his emphasis on the long-range benefits and the space program caught the imagination of the people.

President Carter used the opposite approach by restricting his proposals almost entirely to short-range problems. He might have urged every citizen to buy a latter-day equivalent to War Bonds to build up a huge fund for research and development to accelerate use of alternative energy sources.

Instead of such voluntary action, the Carter plan

Dad's Day ends around noon

By JERRY PFARR

I READ RECENTLY that shortly after the Father's Day idea was conceived in 1910, the dandelion was selected as the official flower of the day. Not only because Dad's lawn is full of them, but because the more the dandelion is trampled on the better it grows.

FATHER'S DAY usually ends around noon. He gets a lot of attention in the morning and then, after he has given up his golf match to be with the family, the kids scatter off in their own directions after the gifts are opened. And Dad is left alone while his foursome is out on the course.

When my daughters were young, I remember receiving a lot of neckties that were too loud for my conservative personality and smoking a lot of cigars that weren't my brand.

BUT IT'S really difficult for me to be cynical when I think of that freshly picked bouquet of wild flowers my little girl would bring me on Sunday morning, along with an adoring hug, and the home-made card painstakingly printed in quavering letters:

"Happy Father's Day, Daddy. I love you and I hope I am just like you when I grow up." Luckily, she turned out a lot prettier.

WORSE JOKE we heard this week was about the golfer who killed his nagging wife.

"What club did you use?" asked a friend.

"A 7-iron."

"Well, that was the right club. How many strokes did you take?"

"Two."

"What happened on the first one?"

"I looked up."

Everybody thinks of changing humanity and nobody thinks of changing himself.

The Time Machine

50 YEARS AGO: JUNE 16, 1927

The Antioch airport received its first visitor late last Saturday night when two gentlemen from New York, flying a Waco plane, landed and tied up for the night. They came to the region in order to visit at Loon Lake at the summer home of Mr. and Mrs. Walter Hagen.

Walter Chinn has just completed the spreading of 100 yards of gravel in front of his properties on Orchard Street. The street was much rutted in that particular spot and the gravel will improve it greatly.

"Men of Purpose," the great epic picture of the World War, is to be presented at the Crystal Theatre, Antioch, next week through the efforts of the local American Legion post. It is said to be the greatest war picture in America because every scene is absolutely authentic and is a picture of actual occurrences in the war.

20 YEARS AGO: JUNE 13, 1957

The new village of Lindenhurst, east of Lake Villa, adopted its municipal code Monday night. President Robert Randall and his board of trustees approved a code of laws covering operations of the village which was incorporated Sept. 29, 1956. On June 24, the board will hold a special meeting in the American Legion hall to consider the appropriation ordinance. Studies of the finance committee, headed by trustee Craig Harrison, will be completed by that time.

"Love Me Tender," with Elvis Presley and Debra Paget, opens this weekend at the Waukegan Drive-In. Also featured is "Last Wagon," starring Richard Widmark and Felicia Farr.

The Family Outdoor Theatre, The Lakes Theatre, Antioch, will feature Alan Freed, the king of rock 'n roll, in "Rock! Rock! Rock!" Others starring include Frankie Lyman and the Teen-Agers, LaVern Baker, Chuck Berry and, introducing, Tuesday Weld.

10 YEARS AGO: JUNE 15, 1967

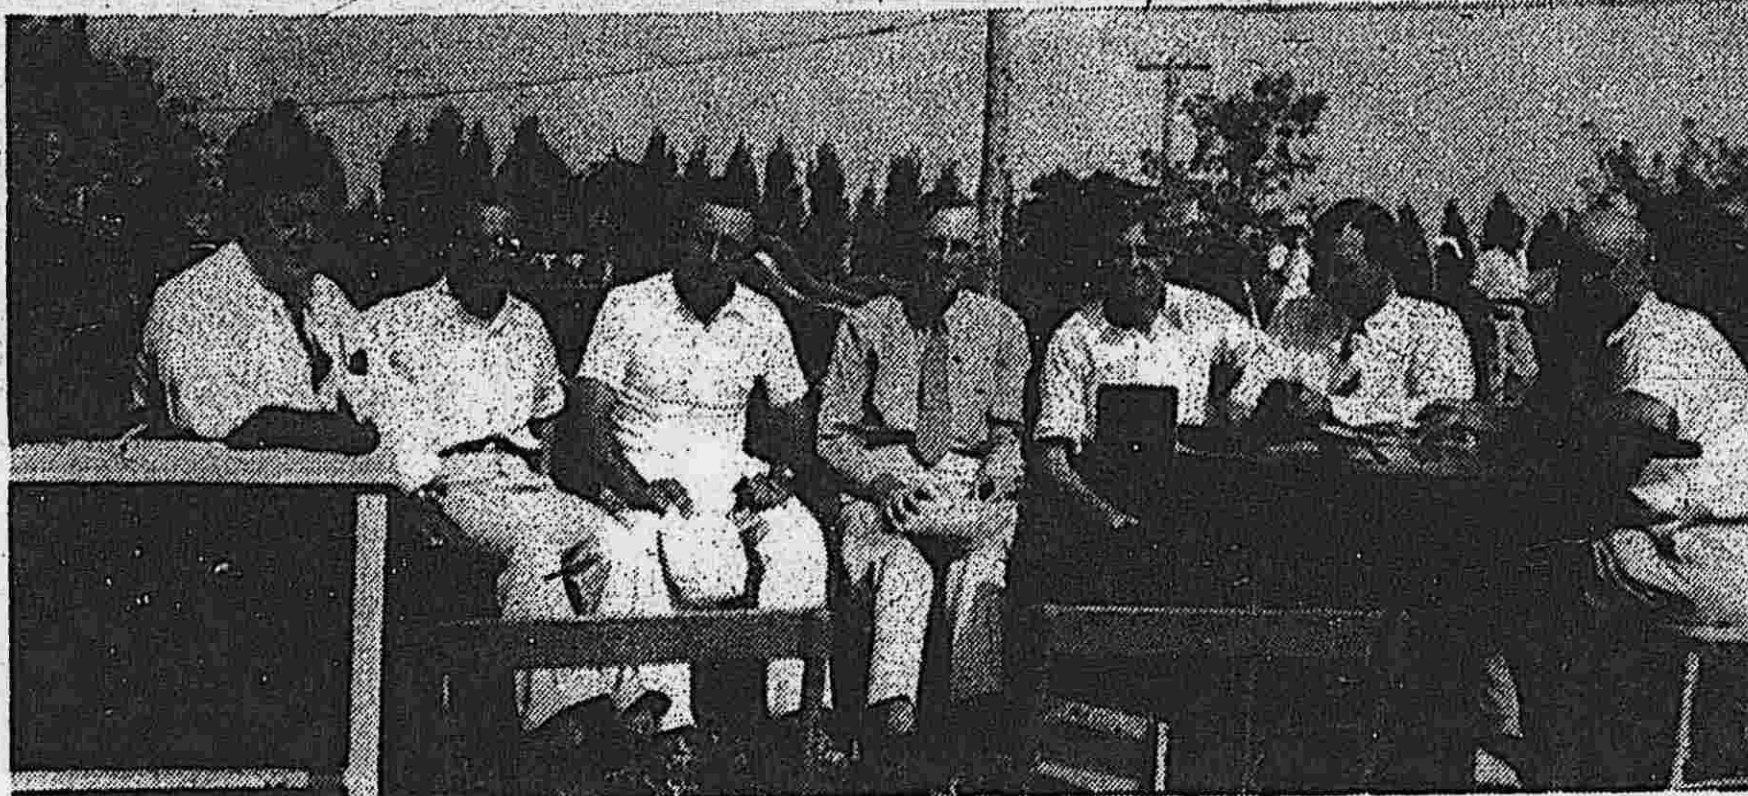

Robert J. Mitchell, 315 Maplewood Drive, Antioch, is valedictorian of the Class of 1967 at Antioch Community High School. Bruce Robert Muir, Rt. 4, Box 9, Antioch, is salutatorian.

Antioch, along with most of the Midwest, has been plagued by heavy rains, tornado warnings and severe thunderstorms for the past week.

The rains dumped 3.7 inches of water on Antioch in three days, Saturday, Sunday and Monday - according to weather reporter Roy Kufalk.

FOR SALE: New Surgical Corset (Camp), size 34. Cost \$25.00, will sacrifice for only \$10.00 - a real bargain.

Felter's subdivision: still a good neighborhood

FELTER'S association is celebrating its 40th anniversary. The subdivision's first officers, in this 1937 photo, were (from left) Charles Groth, Hans Trepte, Martin Goodman, Ben Lenske, Rich Ohlgren, Carl Doty and Ray Freeman. The group's annual picnic will be held Saturday, July 2.

Names in the NEWS

Robert M. Bell of Antioch is among graduates of the Advanced Management Institute in Lake Forest. He is a graduate of the AMI's management development program. Mr. Bell is a site engineer for Abbott Laboratories.

George H. Allen of Lake Villa also graduated from the Advanced Management Institute. He received a master of science in management degree. Mr. Allen is systems manager for Scholl, Inc. He is a graduate of W.R. Harper College.

Navy Seaman Recruit Vincent P. Clark, son of Raymond T. Clark of Rt. 3, Antioch, has completed recruit training at the Naval Training Center in San Diego, Calif.

During the eight-week training cycle, he studied general military subjects designed to prepare him for further academic and on-the-job training in one of the Navy's 85 basic occupational fields.

Felter's subdivision 40 years ago.

By RICH OHLGREN

More than 50 years ago I hunted and fished in this part of Illinois. At that time, we had clean water, plenty of fish and birds.

The opening day of hunting would bring more than 1,000 hunters ... later our limit was cut to 30 ducks and mudhens. Now it's practically nil!

At that time I thought Felter's farm was a good buy. I still think we have a good subdivision. We had flowing wells in several places. Now the water table is low and many of us are dropping our well pipes deeper. I guess it's too many people and factories taking our precious water supply which is dwindling. Also, too many speedboats and septic discharges do no good.

OUR ROADS, AS SHOWN in the 1937 picture taken at Wood and Circle, were like gravel lanes (one lane) wide.

It was 10 years later, in 1947, that we could prime and seal our roads after filling holes.

During those 10 years, our dues were only \$5 a year.

These were depression and war times when coffee was selling at 15c a pound. Gasoline was seven gallons for \$1. Road oil was 7c per gallon.

We had groceries and meats delivered to our door on order from town. Omar bakeries delivered bread and cakes regularly.

Elmer Hunter was in our subdivision every

weekend to pull someone out of the holes. He was the only one who had a tow truck at that time.

During the summer it was dusty and during the winter we had to get out or in early in the morning or late at night, after the sun had gone down and froze the roads more solid.

EVERYTHING WAS A CHALLENGE and I don't think I would change a thing. We had our fun as well as work and made it a game.

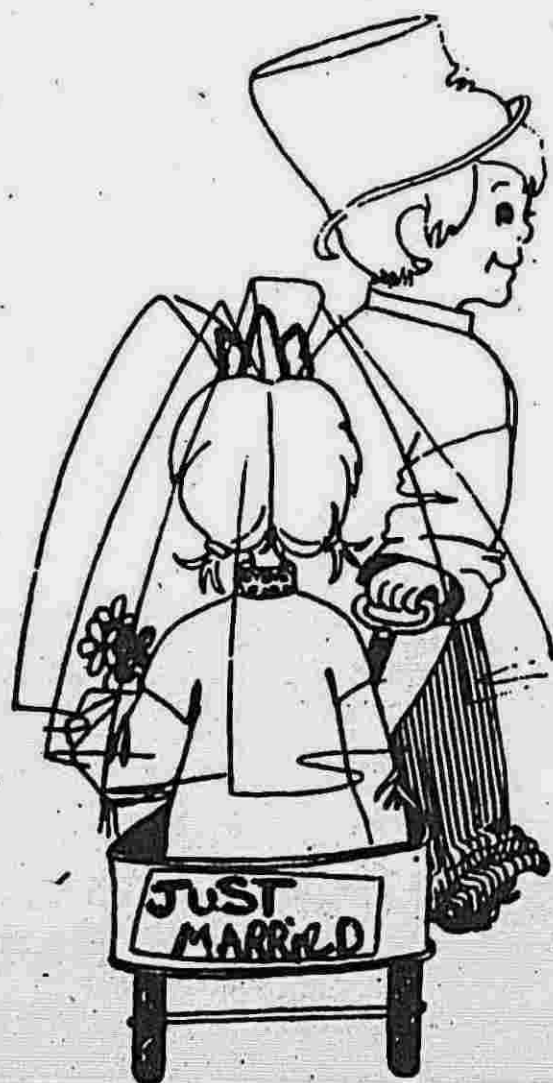

There were very few permanent residents at that time. Many of our houses have been sold many times over, each one adding their ideas and work. We had bus service from Channel Lake to Waukegan and the train to Chicago.

I REMEMBER WHEN I had my four-inch well put in. I made an agreement on a piece of school table to pay \$25 a month till paid. Now you have to take out a bank loan.

At that time we knew everyone in town and it was not so commercialized as it is now. But you can't keep it country all the time.

We are having our 40th annual picnic on Saturday, July 2, 1977.

Our 1977 officers are as follows: president - John Price; recording secretary - Patrice Roman; ward 1 alderman - Bill Tomasik; ward 2 alderman - Dan Groth; ward 3 alderman - Carole Riska; ward 4 alderman - Judy Wiegel; ward 5 alderman - Jim Coyle; vice-president - Walter Labno and treasurer - Marie Esser.

HAPPENINGS

A DOG and cat photo contest will be sponsored again by the Animal Protection Association of Lake County.

Winning photos will be displayed at the Lake County Fair, July 27-31.

Any size color photo of a dog or cat is acceptable, but entrants must be Lake County residents. Entries can be sent to the Lake County Animal Protection Association, Box 106, Gurnee.

Deadline is July 1. First prize is \$10.

THE FFF senior center will meet this summer at the Upper Grade School, off Tiffany Road.

"This will be for the summer months only. Everyone has talked about the beauty of this school. Now's your chance to see it, and enjoy the big roomy cafeteria as well," said Betty Kieft, 395-6324.

The senior citizens meet Mondays, Wednesdays and Fridays.

The regular meeting of the board of education of Lake Villa School District 41 will be held at the Pleviak School tonight (Wednesday) at 8 p.m.

The business will include committee reports on building, finance, insurance, personnel, policy, special education and transportation.

BONNIE LITCHFIELD

Named officer at First National

L.M. Woods, president of the First National Bank of Antioch has announced the appointment of Bonnie Litchfield to the position of marketing officer and training officer for the bank.

Mrs. Litchfield has served the bank for four years, first as commercial loan clerk, then in the new accounts department, and most recently director of marketing.

Previously, she was assistant director of alumni affairs, Lewis College, Lockport, and was employed at Gibbs & Jenssen Carousel in Antioch.

She attended Western Illinois University, graduated from Sawyer College of Business and is completing courses for the basic certificate awarded by the American Institute of Banking. She was graduated from Antioch High School in 1967.

MRS. LITCHFIELD IS a native of Chicago and lives in Antioch with her husband, Jim, and two children, Kenny, 6, and Amy, 2.

The First National Bank of Antioch has been serving Lake County for 51 years. It currently has assets of \$32 million.

Analysis

QUITE often I find myself yearning
To be a more literate chap;
But one must work decades for learning—
Obtaining it isn't a snap.
And often a man who is zealous
Concerning improving his mind
Will wind up displeasing his fellows;
They frown when he leaves them behind.

So rather than go about irking
My friends—I'd be hard on their pride—
And rather than spend my life working
At studies, I always decide
To give up the prospect of seeing
The world as a man in the know
And center my efforts on being
A simple but likable Joe.

—RICHARD WHEELER.

SIGNS OF THE TIMES

We'd have been lost in the woods
Without any doubt
If not for the beer cans
To point the way out.

The Globe

STILL RELIVING the experiences of their Holy Lands tour are Pastor Bernard Fosmark (left) and Louise and Carl Reichenbach.

"FORE!"

3 enjoy tour of Holy Lands

A few weeks have passed since three Antioch residents returned from a tour of Bible lands. But they're still reliving the experiences and memories.

Pastor Bernard Fosmark and Carl and Louise Reichenbach were on a real whirlwind—seven countries and three continents in 15 days, Mar. 28 through Apr. 11.

THE TOUR group, starting out from New York, was composed of 26 "pilgrims" including Rev. Carl Fosmark, 77, Bernard's father.

The local pastor had read of the trip and encouraged any in his congregation, the Antioch Evangelical Free Church, to join him. At first the Reichenbachs wondered about the cost and details, but experienced what they consider miracles, particularly in receiving passports in four days rather than the usual two weeks.

ROME AND THE GREEK cities of Athens and Corinth were the first stops. Vatican City was like a beautiful art museum to Fosmark, who says he would have liked to spend a few more days there.

Continuing on to Egypt, they viewed the famous pyramids of Gizeh, the Sphinx and were introduced to Moslem culture via Cairo and its mosques. One of the Arab cultural differences that took some adjustment was seeing men holding hands out of friendship (though it is

unacceptable for men and women to do the same).

NEXT THEY VISITED Syria and Jordan, viewing the rose red city of Petra. This was a highlight to the Reichenbachs, who are avid "rock hounds."

BUT THE TRIO'S favorite country was Israel, where they could "walk where Jesus Christ walked." Louise said, "The Bible is a road map to the Holy Land—it's as alive today as it was then."

The pastor added that he has "a new understanding of the Bible's geography." Convinced of the accuracy of Scripture after seeing the places of Jesus' birth, ministry and death, both he and Carl said "it has made the Bible come alive."

Especially impressive to them were the Garden of Gethsemane, the site of the crucifixion and Jesus' empty tomb, which they saw during Easter week.

CONCLUDING THE ITINERARY was sight-seeing in Samaria, Nazareth, Tel Aviv and the areas of the Jordan River and Sea of Galilee.

Pastor Fosmark believes the trip has helped him "preach with more authority" because he has seen Bible lands for himself.

Louise says she enjoys talking about the tour: "Everyone should realize the accounts in the Bible are true—they're not fables."

Classes start Monday for 6th to 8th graders

The Antioch Center for Developmental Learning, a not-for-profit private alternative school for grades 6-8 (incoming or outgoing), still has openings for its first summer session, which officially begins on Monday.

The school, established by three teachers from the Upper Grade School, "is dedicated to meeting the individual needs of each student with prime emphasis on reading, writing and math, while providing an enjoyable experience for the students," said Max Cummings, one of the teachers.

A three-hour battery of tests is being administered to each student in morning and afternoon sessions this Friday so that specific progress can be monitored.

The summer session will run from Monday, June 20 through Friday, July 29, meeting every Monday, Wednesday and Friday from 8 a.m. to 12 noon at the Upper Grade School, which is being rented for that purpose.

Tuition for the session is \$80 and is open to anyone in the right age group regardless of whether he or she goes to school.

"The Center" is also "dedicated to parental involvement" and, to this end, is holding a parent's meeting Wednesday (today) at 7:30 p.m. in the Upper Grade School.

"If you have not registered your child, but you would like to, or you just want more information about 'The Center,' join the parents' session or

call, in the evenings, Paul Epner 356-7223, Max Cummings 395-1290 or Randy Lowe 395-7614," Epner said.

The three teachers received permission from Grade School District 34 to rent the building for the special session, Cummings said.

Offer free clinic

A combined immunization, hearing and vision clinic for children will be held Wednesday, June 29 at St. Peter's school, 559 Elizabeth Ave., Antioch.

The clinic is conducted by the Lake County health department and will be open from 9 a.m. until 12 noon.

"This is an opportunity to get your child immunized against polio, diphtheria, whooping cough, tetanus, measles, mumps, rubella (German measles) and to insure their hearing and vision is normal," Dr. S.R. Potsie of the health department, said.

All pre-school and school-age children are welcome. There is no charge.

Appointments are not necessary. Parents should bring any past immunization records to help determine the child's needs.

For further information, contact the Lake County health department, 3010 Grand Ave., Waukegan, 689-6761, Dr. Potsie said.

people in the News

Linda D. Lagerstrom and Glen E. Amundsen, both of Antioch, received bachelor of arts degrees from Augustana College, Rock Island, at its 117th annual commencement.

Miss Lagerstrom, a business and accounting major, is the daughter of Mr. and Mrs. L.M. Lagerstrom, Rt. 5, Antioch.

Amundsen, an economics and geography major, was graduated cum laude (with honors). He is the son of Mr. and Mrs. Donald H. Amundsen, 508 First St., Antioch.

Miss Lagerstrom and Amundsen were assistant resident directors of college residence halls during the past year.

TECHNISOUND AWARDED CONTRACT - Technisound of Antioch has received orders for 12,000 high performance loudspeaker systems. The systems utilize a new technology that produces one traditionally styled diamond cut fretwork every 40 seconds. The fretwork is produced in a single-stroke 850 ton press. The breakthrough in technology enables a grille to be produced in less than one minute. It formerly required two hours of direct labor. The loudspeaker system breakthrough excels in performance, style, useful features and cost. Volume production is scheduled for early June.

Dredging machine added to waterways budget

A total of \$300,000 has been added to the state Waterways Division budget to buy a dredging machine for use on the Chain-of-Lakes and the Fox River.

Proposed by State Rep. Cal Skinner, Jr. (R-Crystal Lake) and supported by Rep. John Matijevich (D-North Chicago). Skinner said the amendment means that Gov. Jim Thompson will be able to spend:

- (1) the \$500,000 he personally directed be spent to hire a private contractor to continue dredging work on the Chain for one year,
- (2) Buy a dredging machine for \$300,000 and hire a couple of employees to operate it or,

(3) a combination of the two approaches.

"I THINK THE STATE will save money by purchasing a machine not only in the long-run, but also in the short-run," Skinner said. "Another beauty of buying a dredging machine is that once the silting problem in the Chain-of-Lakes and the Fox River is solved, other legislators can look forward to its use in their area lakes and rivers. A number indicated an interest during the committee session."

Skinner and Matijevich are members of the Chain-of-Lake, Fox River commission headed by William E. Brook of Antioch.

Don't take old age sitting down!

Right now millions of Americans are being forced to sit back and rock their lives away. Simply because they're older. Stop and think about it! It's going to happen to you. You're going to be "older" someday.

For more information on what you can do, write: The National Council on the Aging, Inc. Box 28503, Washington, D.C. 20005.

Names in the NEWS

Vic McGuire, former Antioch High School sports star, will appear with the Black Hills Playhouse in South Dakota in two of its upcoming productions.

He has been cast as the policeman in Frederick Knott's thriller, "Wait Until Dark."

Vic has also been cast as the claim-jumping Rufe in the Playhouse's annual, "The Legend of Devil's Gulch," written by the founder of the Playhouse, Dr. Warren M. Lee.

Vic is a first-year member of the Black Hills Playhouse. He is a senior speech-theatre major at Doane College in Crete, Neb.

HARTFORD, Conn. - Lois J. Geist, a junior at Trinity College in Hartford, has been awarded a varsity letter for the 1977 spring season. Miss Geist was manager of the college's varsity baseball team.

Lois is the daughter of Mr. and Mrs. Charles L. Geist of Rt. 1, Antioch. She was a 1974 graduate of Antioch High School and is a science major at Trinity.

TWO ANTIOCH students, Gregory C. Grunow and John Glen Meyer, were among more than 1,150 at Eastern Illinois University who earned academic honors during the spring semester.

To receive honors, a student must have a grade point average of 3.50 to 3.74 on a 4.0 scale.

Tips for suntan

Want to get a good, painful, blistering sunburn? Or, do you want to begin picking up a summer tan without burning?

That's easy. Just follow the simple rules of the American Medical Association: 15 to 20 minutes exposure the first day; 20 to 25 minutes the second day; 25 to 30 minutes the third day; 30 to 35 minutes the fourth day. Thereafter base exposure time on the degree of redness and tenderness of your skin. The shorter exposures are for those with light skin; the longer times are for darker skin.

Remember this about tanning - it can't be rushed. Trying to rush it will only result in a burn. The burned skin will peel, leaving you pale and pink again.

Of course, the AMA also points out that there is no health value in tanning. In fact, it contributes to early aging, and wrinkling of the skin, and to proliferation of skin cancer. But, if you insist on a tan, start slow and build up gradually.

Consider the time of day for your suntanning. The sun's rays are most potent between 10 a.m. and 2 p.m., standard time. You won't get much tan before 8 a.m. or after 4 p.m., standard time. Don't forget that you can burn on cloudy days, on the water, and at high altitudes.

Suntan lotion can be helpful in preventing a burn and promoting a tan. The lotions contain a chemical sun screen that absorb some of the rays, while letting others through. They also contain a lubricant to keep the skin from drying out too quickly. Suntan lotions must be reapplied at least once every two hours, and whenever the film may have worn off or washed off.

If you burn - ointments, wet compresses and soothing lotions will help the discomfort. A bland cold cream or a lightweight mineral oil may be applied to the skin. If the pain is excessive or if extensive blistering is present, consult your physician.

Last Chance for "The Crucible"

Only two more opportunities remain to see the PM&L production of Arthur Miller's gripping play, "The Crucible."

The last two performances of the tense drama will take place at the PM&L Theater, 877 Main St. in Antioch, Friday and Saturday nights, June 17 and 18.

Curtain time for both shows is 8:30 p.m.

THE EMOTIONAL STORY, set in the New England of the 1690s, centers on farmer, John Proctor (played in the PM&L production by Bruce Berger), whose wife Elizabeth (Tricia Schaefer) is accused of witchcraft by a jealous housemaid, Abigail Williams (Laura Krah).

Focusing on the hysterical witchhunts which swept Salem, Mass., at the time, the play is a scathing commentary on religious mass movements, Miller said.

"The Crucible" has a history of controversy. The drama was first produced in 1953, at the height of McCarthyism, and drew a parallel between the American witchhunts of the 1690s and the 1950s.

ANTIOCH AUDIENCES have warmly greeted the productions, which caps PM&L's current season.

The play is directed by Lou Jones and the cast is composed of an effective combination of PM&L veterans with a number of talented newcomers to the Antioch stage.

To make reservations to see either of the last two performances this weekend, call 395-3055.

"Also, remember to pick up your reservations at the theater no later than 8:15 of the night you see the show," Jones said.

"Character is a long-standing habit." Plutarch

'Great America' tickets available

Tickets for Marriott's Great America Theme Park in Gurnee are available through the Antioch

Chamber of Commerce & Industry at a rate of \$7.50 per ticket.

Tickets are normally priced at \$8.95 for adults and \$7.95 for children (ages 4-11).

The specially priced tickets will be available through June 30 from the Chamber office, 909 Main St., the State Bank of Antioch, the First National Bank of Antioch, and the Antioch Savings & Loan.

Marriott is open daily from 10 a.m. until 10 p.m.

Mount Everest, the earth's highest peak (29,028 feet) located in the Himalayas, is so high at its summit that it penetrates the jet stream. Winds that sometimes reach 200 mph blow snow from its peak.

Mental Health group elects officers

Members of the Antioch Mental Health Association met at the library Monday to elect new officers.

The new officers are: President, Mrs. Robert Lubkeman; vice president, Mrs. Philip Cirone; secretary, Mrs. Edward Warner; treasurer, Mrs. Norman Jedeke, and publicity, Mrs. Albert Bucar.

Cotillion chairman for the 1978 Cotillion is Mrs. Ray Lorenz and co-chairman is Mrs. Cirone.

Mrs. ElRoy Anderson, chairman of the 1977 Cotillion reported that \$2,635 was realized on the event. It was voted to send \$2,500 to the Grove School for handicapped children.

It was also voted to send six children from Allendale School to a summer camp.

Mrs. Zaida Vos, manager of the Thrift Shop at 921 Main St., reported that the shop is doing very well in the few short weeks it has been open.

The hours of the Thrift Shop are 9:30 a.m. to 4:30 p.m. on Thursday, Friday and Saturday.

Refreshments were served by Mrs. Cirone and Mrs. Bucar.

The first magazine for women was *Lily*, started at the end of the 19th century by Amelia Bloomer.

"You are not born for fame if you do not know the value of time." Vauvenargues

The first president to broadcast in a foreign language was Franklin Delano Roosevelt who addressed the French people on November 7, 1942 from Washington, D.C.

Astro-Analysis

By Sonia

ARIES [March 21-April 19] - Aims should be focused on matters that can develop into new pursuits and occupations. Insight is sharper, perception good. Communicate ambitions and ideas with others.

TAURUS [April 20-May 20] - Good reasoning and a determination to expand present personal ambitions provide excellent potential. Show sincerity in business undertakings to insure successful outcome.

GEMINI [May 21-June 21] - Charity or civic work is more appealing now. Handle personal affairs alone, some seclusion is important in week's plays. Show small kindness and favors to others.

CANCER [June 22-July 21] - Favorable events involving friendships are indicated. Substantial increase in social activities is likely, as popularity is heightened take full advantage of new opportunities.

LEO [July 22-August 21] - Show honesty and frankness but don't force issues with others. Be flexible now as working conditions may become strained. Be versatile and show a willingness to take on additional duties.

VIRGO [August 22-September 22] - New studies, vocational plans should not be neglected. A change in routine may be required in order to include new interests. Follow intuitions.

LIBRA [September 23-October 22] - By using caution in money matters business deals can be launched with success. Incentive, coupled with good judgment puts you ahead. Ventures involving new partnership deals is indicated.

SCORPIO [October 23-November 21] - Group activities, larger responsibilities puts you in the public eye; handle additional duties with good judgment and expertise. Key to making progress now is getting along with associates.

SAGITTARIUS [November 22-December 20] - Co-workers play an integral part in your productivity this week. Maintain a pleasant outlook with others, work in unison. Listen to new ideas and suggestions.

CAPRICORN [December 21-January 20] - Romantic conditions exist. The tendency to speculate or take unnecessary chances on risky ventures can cause new problems.

AQUARIUS [January 21-February 19] - Be patient when dealing with domestic situations that involve other family members. Work on long-term investments, lay groundwork for future security.

PISCES [February 20-March 20] - Increased mental and physical activities produce advancement in most pursuits. Follow through on commitments, complete obligations.

Along the way with ANNIE MAE

How time flies!

It's hard to believe that it was a year ago when Antioch celebrated the maiden voyage of Ev Oftedahl's Viking ship, Draugen. The crew, dressed as Norsemen pirates, included Mike Haley, Art Meierdick, Nick Badame, Rich Brennan and Ed Frisk.

Their launching took place at Haling's resort to a destination of Blarney Island. Happy anniversary Draugen!

HEAR TELL KIM KALLA'S Dance Studio from Lake Villa put on a fantastic recital last Saturday. The big show was held at Libertyville High School with many Antioch and Lake Villa young people on stage.

Thanks to all who entertained; it was a super performance.

WHEN YOU SEE a sand and gravel truck churning down the road you probably assume the driver is in a hurry and has a job to do.

But Dan Dugenske, of Strang's Funeral Home, told us he called Thelen Sand & Gravel this week to mention that one of the firm's drivers was especially courteous.

During funeral services at a cemetery near Oakland school, the driver of the Thelen truck slowed down and crept past the scene. Thoughtful, to say the least.

TWO OF ANTIOCH'S finest strikers of the golf ball celebrated their birthdays this week ... Gordy Conelius on Sunday, the 12th, and Bill Nauman on Tuesday, the 14th.

This Friday, June 17th, is a big day too. It's Harry Lenny's birthday ... so all you folks who eat at Thompson's Restaurant can plan surprises for that delightful owner and chef.

LOTS OF BIRTHDAYS to celebrate in the coming week. Bill Vos will be 18 on Saturday and Erlene Pearce of the Antioch News staff will have a birthday on Saturday, too. But she won't get any older.

Sunday is the day Curly Wertz will be celebrating and Tuesday it will be Cindy Carney and Helen Sterbenz' turn.

We hope Bernie and Helen DeVries will have a nice day Tuesday; it's their anniversary!

SPEAKING OF ANNIVERSARIES!!! After doing a little research we find that several of our local businesses are celebrating anniversaries or have celebrated very recently. Among them are: The Kodiak, 1 year; The Olde Attic, 1 year; Piggy Bank, 2 years; Antioch Schwinn, 2 years; Ashland Jewelers, 4 years; Bernie's Corners, 5 years; Erickson's Sewing Center, 21 years and Strang Funeral Home, 65 years. We extend congratulations to these businesses and their hard working owners.

TWIN GIRLS WERE BORN Tuesday, June 7, at St. Therese hospital. They are Angela Dina, 6 lbs. 14 oz., born at 10:53; and Heather Lyn 6 lbs. 13 oz., born at 10:59. The parents are Doug and Toni Burke.

They have a big sister, Michelle Marie, 10, and two brothers, Douglas Anthony, 8, and David Daniel, 4. The maternal grandparents are Tony and Lill Lomma of Tony & Lill's restaurant in Antioch. Paternal grandparents are Doug and Ruth Burke of Lake Villa.

Series E Bonds pay 6% interest when held to maturity of 5 years (4½% the first year). Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

HOW CAN YOU turn down a Little Leaguer?

We just bought our ticket for the annual Pancake Breakfast for the benefit of the Antioch Little League and Babe Ruth league baseball programs.

They are such worthwhile causes and the tickets cost only \$1.25. The pancakes will be served Saturday, June 25, from 7 a.m. till 1 p.m., at the United Methodist Church of Antioch, 848 Main St.

We really didn't appreciate Little League baseball until we saw how much it meant to those little guys, 8 to 12 years of age.

What's the old saying?

"It's better to have them stealing third base than hubcaps."

No, we didn't really appreciate Little Leaguers ... but we've always appreciated pancakes. See you there, June 25, to pay tribute to both.

Ronald Reagan

Continued from page 4

calls for a variety of energy taxes, resting on the faulty premise that government, rather than a freely functioning market, can provide all the answers.

Even if this were true, the government won't be using the taxes it collects for energy purposes. White House talk so far is to dole it back out as rebates or even in half-baked income redistribution schemes.

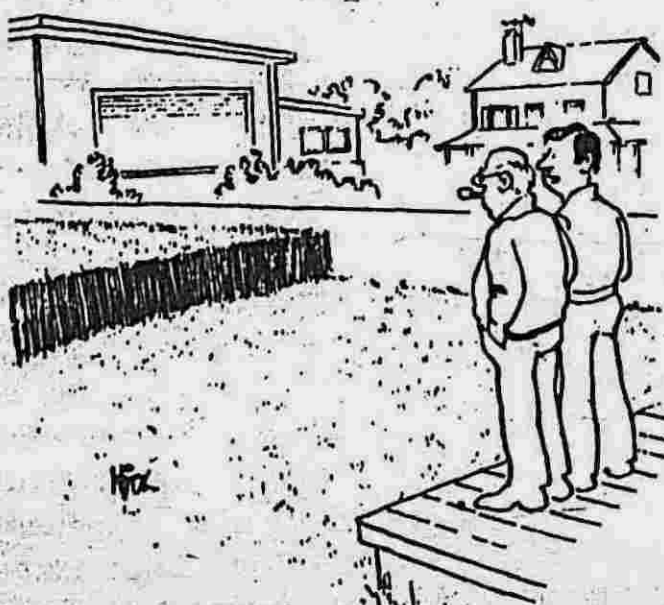

THE CARTER PLAN INCLUDES using solar energy in 2.5 million homes, but that is only a token. As for nuclear power, the plan will make no one happy. The Naderites will be satisfied only if we use no nuclear energy (or, I suspect, no energy of any kind).

Nuclear proponents say that if we restrict ourselves only to using natural uranium, as Carter proposes, we will run out in about two decades. Breeder reactors are the answer, they say.

TAXING "GAS GUZZLER" AUTOS may eventually sell in Congress because Congress likes nothing better than to find scapegoats and Detroit is conveniently handy for the purpose. The measure, however, has almost nothing to do with saving gasoline.

America was built on energy, from elbow grease to axle grease. When whale oil for home lighting ran low in the last century Americans - not government - developed "coal oil" from petroleum. Left to itself, the marketplace filled a need.

Mr. Carter's proposals fail to take history into account. In the process, he may be overlooking the greatest energy source we have: the restless American mind.

"We lost the mower extension cord."

Schizophrenia via birthday party

There is an advantage to having babies in the summer.

Parents realize this four, five and six years later when gala birthday parties must be staged.

If it's a summer birthday the party can be held outdoors - and cake and ice cream spilled outdoors is cleaned up by birds and ants. Indoors, it's cleaned up by mother.

Books on the subject suggest that mom can best keep peace and sustain interest by limiting the number of guests - 4 guests for a 4 year old, 5 for a 5 year old, 6 for a 6 year old, and so on.

IN THEORY this is okay, but have you ever known a 7 year old who didn't want to invite the entire second grade?

Among the guests, of course, is the little girl who sulks and refuses to mix. She's shy. She's bashful. In fact, she's a party pooper. But you have to invite her because you play bridge with her parents.

AT THE CONCLUSION of the party you suddenly realize that the little party pooper is missing. You check all seven closets, even looking behind the suitcases and golf clubs, but she isn't there.

Did she sneak away and try to find her way home alone? You drive several possible routes between your home and hers but she isn't on the street.

Gradually, her parents get the drift. You've lost her! They try not to panic - they try to act considerate - but you can tell ... they're sore.

THE SEARCH BECOMES frantic. You check

the garage, the trunk of your car - you even kneel down and peer into the doghouse. Where could she be?

You go back to the kitchen for a drink of water and there she is, sitting at the table eating the cake and ice cream she refused to eat at the party.

"Where were you, child?"

She shrugs, "Under a bed."

THE PARTY MIGHT have been a success, but through all the picture taking your little birthday girl absolutely refused to smile. She was pouting because she wanted the pink party hat, not the green one, and she spent the afternoon pinching the arm of the little guest who grabbed the pink one.

But then came the big moment! Time to blow out the candles!

She huffed and she puffed and she blew them all out.

"Make a wish, dear! Make a wish! What did you wish, honey?"

"I wished I had the pink hat."

Golf outing planned by GOP June 22

Wednesday, June 22, is the date of the annual Antioch Township Republican Club golf outing and dinner.

This year, it's to be a special occasion ... Red Murrie Day.

"We are dedicating this event to Antioch's own Red Murrie, who has just retired from his long tenure in the office of supervisor," said ElRoy Anderson, chairman, and Gene Zannini, co-chairman of the event.

"We have arranged a special program to honor him and, of course, our regular ELLA-phant Award will be made to an outstanding Lake County Republican. If you can, bring some friends and help make this the biggest republican outing

ever experienced in Antioch township," Anderson and Zannini said.

Antioch Country Club is the course and carts may be reserved by calling the pro shop at 395-3000.

HAVE A HOT STORY?

Press releases must be

TYPED and DOUBLE-SPACED

Deadline: Noon Monday

16-year-old driver stars

Bobby Dotter, 16-year-old driving sensation, had his night on Saturday as he made his debut in the sportsman division at Waukegan Speedway.

Dotter scored a clean sweep as he set a new one-lap record for the fastest qualifier of the night, won the fast heat and also the 25-lap feature.

Dotter took the lead in the feature on lap 12 from Dan Hagi. Hagi chased Dotter for the remainder of the event as Dotter held off his repeated efforts to catch the rookie driver.

DOTTER'S ONE-LAP RECORD of 14.68 seconds broke the 3-year old mark of Joe Horn, which was 14.79. Dotter won the 6-lap trophy dash with Chuck Clark second and the two finished the same way in the fast heat. Other heat wins went to Denny Jensen and Abel Avilla.

Larry Cash scored his second 12-lap feature win in a row and his fourth of the season in the hobby division as he beat point-leader Dennis Topcik.

How come Antioch has such great Kentucky Fried Chicken?

Sports Shorts

DECATUR, Ill. - Finding additional help in the sprints and distance events will be a priority for the Millikin University track team which relied on the field events and hurdles for most of its scoring during the 1977 season. Ron Mitchell of Lake Villa, who lettered as a sophomore, is one of those counted upon.

Six of the top 10 scorers are expected to return next season but three of them are field event specialists and two others are hurdles. That leaves several spots where coach Guy Neibuhr hopes to find added strength before next season.

Women's golf league tees off

By LORRAINE SEVERSON

The State Bank of Antioch Women's golf league opened its season on Tuesday, June 7, at the Antioch Country Club.

Officers for the year are Shirley Carlson, president; Annette Lubkeman, vice-president; Lorraine Hitchon, treasurer; Eileen Zannini and Dorothy Teister, secretaries; Lorraine Severson, publicity; Joan Casey, fun day chairman; Kay Costoff and Kathy Cirone, banquet chairmen, and Nancy Berchtold and Trudy Anderson, rules committee.

THE LEAGUE is made up of four flights:

A Flight - Nancy Berchtold, Louise Santino, Joan Casey, Pearl Fowles, Angie Maras, Ruth Sarver, Dolores Scarpelli, Irene Teresi, Ginny Cornelius, Lorraine Hitchon, Shirley Bunker and Eileen Zannini.

B Flight - Betty Mentone, Bev Reckers, Marge ReCupido, Liz Knourek, Dorothy Teister, Trudy Anderson, Caroline Costoff, Jean Karas, Henrietta Albergo, Rose Reich, Louise Vos and Kay Costoff.

C Flight - Ann Dziki, Irene Hahn, Annette Lubkeman, Kathryn Hanley, Esther Jacobson, Marge Solar, Lorraine Severson, Ruth Pickus, Kathy Cirone, Sue Garland, Frances La Plant, and Barb Tobias.

D Flight - Anne St. Pierre, Shirley Carlson, Irene Williams, Jean DeBoer, Mary Hallett, Mary Carney, Alvera Morgan, Barb Eberman, Etta Bergl, Dolores Abderholden, Jan Hagstrom and Nancy Mancuso.

Substitutes are Joan Bergl, Phyllis Bucar, Joan Beckstrom, Sara Fields, LaVergne Newton, Karen Noland, Cathy O'Neill, Sophie Thain and Marge Warner.

EXPLORER POST 88, SPONSORED by the Antioch Fire Department, is pictured here with its truck to be used as an emergency communications vehicle to aid the fire, police and rescue squads in time of disaster. The post has acquired money to be used for radio equipment for the vehicle and a boat has been donated by Carl Beuhler of Palatine, a post committee member, to be used to assist the Antioch Fire Department for firefighting and rescue purposes on the Chain of Lakes. The post is made up of teenage boys from the area. Anyone interested in becoming a member, or can assist the post in any way, is welcome to attend a meeting. They meet every Tuesday evening in the basement of the Antioch Methodist Church on Main Street in Antioch at 7:30 p.m. or contact Jeff Smouse at 395-1333 or Paul Mapletorpe at 395-2240. In front is Karl Nowosel. Behind him are Don Zura and Dave Shapiro, and in the truck are Jeff Smouse, president, and Paul Mapletorpe, vice-president.

Kodiak's winners are named

Terry Folbrick of The Kodiak guns and tackle store on Rt. 173 has announced winners of his first anniversary contest.

Darryl Blanchette of Antioch won first prize, a bolt-action 30.06 rifle with scope.

Second prize, a Daiwa Minicast rod and reel, went to Rich Good, also of Antioch.

Third prize, a buck scout knife, was won by Betty Clark of Lake Villa and fourth prize, six lures of his choice, went to Tom McAvoy of Twin Lakes, Folbrick said.

Names in the NEWS

WILLIAM J. OTTEN of Rt. 2, Lake Villa, was among 904 graduates who received degrees during Western Carolina University's spring commencement exercises.

The son of Mr. and Mrs. William G. Otten, he received a bachelor's degree in biology.

Local Jaycees play softball, seek foes

The Antioch Jaycees traveled to "Lake in the Hills" for the north region 12-inch softball tourney. The tournament featured a field of 12 teams, led by strong clubs from Elgin and Lake Geneva.

IN THEIR FIRST GAME the Antioch Jaycees faced Elgin. The game was close until Antioch suffered from defensive lapses which led to four unearned runs off pitcher Gary O'Reilly.

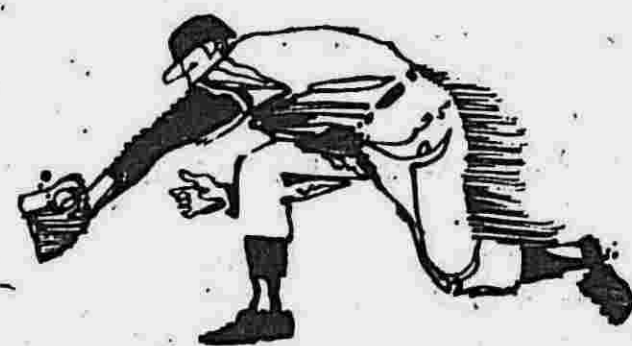

The game ended 10-6 with the Antioch Jaycees on the short end. Their rally in the sixth inning fell short when Elgin turned some line shots into quick outs.

THE SECOND GAME against powerful Lake Geneva, was a slugfest featuring five home runs by Geneva and three by Antioch.

Lake Geneva led 11-0 before Antioch collected five runs in the fifth, led by the booming bat of John Christianson. His two home runs eventually drove in six of Antioch's nine runs. The game ended 13-9, Lake Geneva.

The Antioch team is looking to repeat some of its victories against other civic organizations played last year.

The Jaycees are extending the same challenge as last year, with the winner donating to its favorite charity.

Junior Soccer opens season

The Lake County Junior Soccer League will play throughout the summer months.

Antioch had a tough rival in its first game. Lake Forest has soccer in all levels of its schools and is considered the favorite in the league. Yet, Antioch won 6-4.

Antioch is being trained by Alexander Reljic of Lindenhurst, who was a star soccer player in his native Yugoslavia and in Europe while serving in the U.S. air force.

After 15 minutes of play, Antioch's first goal was scored by Lutz Wudtke.

Lutz scored a second goal, and about two minutes later, a third goal was scored by Greg Krol, whose late father was a star soccer player in his native Poland, in England and in this country.

After those three goals, Antioch took it easy and, on two defensive errors, Lake Forest scored twice.

The halftime score was 3-2 for Antioch. In the second half Antioch was aggressive again, and Tony Froom scored two goals in a row. The sixth goal was scored by Paul Heffernan, and then Lake Forest scored two more, bringing the final score up to 6-4 for Antioch.

Goalie Mike Jackson saved Antioch several times and coaches said "also doing an outstanding job for Antioch were Dave Brooke, Boro Reljic, Jean-Marie Palu, Randy and Scott Leland, Bob Ogden, Jim Diteero and Neal Lulofs.

Local games will be played at the Upper Grade School and the team is sponsored by the Antioch Park Commission.

Summer wrestling program planned

The Antioch High School wrestling room will be open Thursday evenings this summer for area students interested in wrestling.

The wrestling annex will be open from 6:30 to 8 p.m. on June 16 and 30, July 7, 14, 21 and 28, and Aug. 4 and 11.

Showers and locker space will be available, but participants must bring their own towels and soap.

Elementary instruction as well as sophisticated wrestling techniques will be demonstrated. The program is designed to increase the participant's experience in the various styles of wrestling and provide mat space for interested wrestlers.

Slowpitch tournament

Dug Out Park in Trevor is hosting a 12-inch slowpitch tournament for teams class B and below.

The dates are June 25 and 26.

Entry is \$50 with sponsor trophies for 1st, 2nd and consolation champions, and traveling expenses.

Each team will play at least two games. For more information, call Tom Furlan at (414) 862-9136 or (312) 395-5788. The park is on Hy. 83, two miles north of Antioch.

Happenings

The Spring Valley Swingers played golf June 7 and low score on odd holes was won by Jean Daniels, Antioch.

Low net ended in a tie among Mrs. Daniels, Marge Anderson of Antioch and Cindy Smith of Fox Lake.

State Bank team wins tournament

The State Bank of Antioch men's softball team opened its 1977 season with a clean sweep in the Hooker Lake Inn 12-inch tournament played in Silver Lake, Wis.

The Bank defeated TNT of Waukegan 16-0 in the opening round of the double elimination tournament.

In second-round competition, the Bank defeated Rusty Nail of McHenry 17-7 and Valeri Insurance of Kenosha 12-0. Valeri Insurance fought back through the losers' bracket, winning three straight on Sunday to meet the State Bank once again for the championship. The Bank rallied for an 18-6 win.

Leading hitters for the Bankers were Verl Jordan (.866) and Jack Wiech (.785).

The Bank team is playing this season in the Waukegan Class A 12 and 16-inch leagues.

Antioch swim team plunges into pool

The Aqua Center is the scene of activity this week as swimmers gather to begin practice with the Antioch swim team.

The team competes in the North Suburban conference along with five other teams.

As members of the conference for seven years, the Antioch team has experienced good competition as well as fun.

The team has been sponsored by the State Bank of Antioch, supported by the Antioch Lions Club, and coached by Marty Berry.

IN THE SUMMER of 1976, Antioch swimmers had a 4-2 record in conference dual meets, placed fourth in the conference relays and earned a close third in the conference championship meet.

In non-conference competition, the team won two dual meets and brought home the first place trophy from the Kenosha Relays.

The highlight of the season came when they captured the first place trophy in their own Antioch Invitational.

"SWIMMING COMPETITIVELY is hard work, but swimming on the Antioch team adds fun and excitement to the labor," the coach said. "At the close of each summer season the team holds a record-breaker meet. Swimmers compete against the clock, trying to beat the best-time records of previous years. The meet is climaxed by a party which includes refreshments, games and awards."

"The Antioch swim team invites all who enjoy the sport of swimming to come up to the pool, join the team, and help make this the best season ever," Coach Berry said.

Strikes out 14 as Vault '9' wins

Kurt Selak hurled another strong game for the Vault as he struck out 14 hitters enroute to a 5-2 win in Antioch's Babe Ruth league.

Selak also provided most of the offensive punch with a two-run triple. Dave Froom also had two RBI's.

Hahn's Jewelers scored as David Dyer walked and Red Inman, Chris Kimpinski and John Eckert hit consecutive singles.

The big inning was cut short when the Vault's catcher, Tom Christiansen, shot down Kimpinski trying to steal second.

Pat Sikorski struck out 11 in his losing effort for Hahn's.

Both the Vault and Hahn's are 2-1 on the year.

How To Buy And Use A Food Freezer Effectively

Many homemakers are turning to food freezers as a hedge against rising food prices or strictly as a convenience.

If you're thinking of buying a food freezer — for whatever reason — here are a few shopping and using tips from General Electric's Consumers Institute.

First, consider the size freezer you need. Allow five to six cubic feet of freezer space for each member of the family. For a family of four that would be 20 to 24 cubic feet. However, be sure to factor into your thinking the freezer space you already have available in your refrigerator.

Should you get a chest model or upright? Chest freezers require

a good deal of floor space and therefore, of necessity, are often best located in the basement or garage, but not where the temperature is liable to be higher than 110° F or lower than 32° F. They also require manual defrosting every six months or so, so a defrost drain could be a worthwhile feature.

Lift-out storage baskets will help provide access to the bottom of the chest, and a counter-balanced lid can be useful, especially on a large model. Here's a note for short people. When you're shopping for a chest freezer, be sure you can reach the bottom for ease of loading or unloading.

Upright freezers take less floor space and generally make foods easy to see and reach. Most offer refrigerated shelves for fast freezing.

Uprights are available in manual defrost and no-frost models. The no-frost feature, besides eliminating the messy defrosting chore, also prevents frost build-up from robbing you of valuable storage space.

Once you have selected the freezer you want, GE also offers a quick checklist on food freezing to help you get the most value from your freezer.

— Be selective. Choose only top-quality fruits and vegetables at their peak of ripeness. Freezing maintains quality, but cannot improve it.

— Plan ahead. Some foods are better wrapped in individual-sized portions, others in family-

— Wrap it well. Wrapping material should be moisture and vapor proof to prevent drying; be careful not to puncture the wrap.

— Label packages to, show

quantity, intended use and date.

— Check freezer temperature.

Foods should be frozen at a temperature near zero and stored at a temperature that is maintained below 8 degrees F.

— Don't freeze too much at one time. This tends to raise the temperature. Your Use and Care Manual should help you determine how many pounds of food you can add at one time. Place the foods you intend to freeze against the walls in a chest freezer or directly on the shelves in an upright freezer.

— Use oldest foods first.

— Most fruits and vegetables can be kept frozen 8 to 12 months without affecting flavor or quality.

California Hit Hard by Natural Gas Shortage

The Stanford Research Institute reports that California, which depends on natural gas for 55 per cent of its energy, has lost some 76,000 manufacturing jobs since 1971 because of dwindling gas supplies. SRI estimates that the shortage will cost the state up to 800,000 jobs by 1981.

OBITUARIES

Mary B. Odden

Mary B. Odden of Bluff Lake, Antioch, passed away Sunday, June 12, at Victory Memorial Hospital.

She was a member of St. Peter's Church and the Altar and Rosary Society of St. Peter's.

Survivors include her husband, Alfred, and two children: Robert of Antioch and Mrs. Ann (James) Busch of Lansing, Ill. and 5 grandchildren.

Funeral services and interment will be private. Arrangements and services will be handled by the Barr Funeral Home Colonial Chapel.

Delma Lavine

Delma Lavine, 67, of Spring Grove, passed away Saturday, June 11, at McHenry Hospital. She was born June 2, 1910 in Chicago and lived there until moving to Spring Grove 6 years ago.

She was a member of the Jehovah's Witnesses. She had worked for Western Electric Company in Cicero, Ill. for 15 years, retiring in 1971. She married Roy N. Lavine on Oct. 20, 1934 in Chicago.

Survivors include her husband, Roy, one son Roy E. Lavine of Spring Grove; 1 daughter, Mrs. Diana (Jack) Dickens of Spring Grove; 1 brother 2 sisters and 6 grandchildren.

Funeral services will be held today at 1 p.m. at Strang Funeral Home in Antioch. Interment will be in Cole Cemetery near Spring Grove.

Bernard W. Vogt

Mr. Bernard W. Vogt, 70, of Camp Lake, passed away Thursday, June 9, at Kenosha Memorial Hospital. He was born July 10, 1906 in Freemont Township, Ill. and had lived in Round Lake for many years until moving to Camp Lake 4 years ago.

Mr. Vogt had farmed in Round Lake for most of his life. He married the former Mary Beckey on Oct. 10, 1945 in McHenry.

Survivors are his wife Mary; 1 daughter, Mrs. Lawrence (Jo) Weidman of Salem; 1 granddaughter, Keri; 1 brother, Edward Vogt of Island Lake and 1 sister, Mrs. Ethel Benwell of Round Lake.

Funeral services were held Saturday at the Strang Funeral Home in Antioch. Interment was in Warren Cemetery in Gurnee. Arrangements were made by Strang Funeral Home, Antioch.

Richard F. Farm

Richard F. Farm, 69, of Lake Villa, passed away Thursday, June 9, at Victory Memorial Hospital. He was born June 19, 1907 at East Chain, Minn.

He had lived in Lake Villa for most of his life. He had worked over 40 years for the Weber Duck Farm in Lake Villa.

Survivors include his wife, Dorothea; 1 son, Thomas (Phyllis) Farm of Grayslake; 1 brother Frank (Ruth) Farm of Bristol and 3 grandsons. He was preceded in death by an infant son, 2 brothers and 4 sisters.

Funeral services were held Monday at the Strang Funeral Home in Antioch. Rev. Sam Martin of the First Baptist Church of Round Lake officiated. Interment was in Liberty Cemetery.

Genevieve Jorgensen

Mrs. Genevieve Jorgensen, 81, of Salem, formerly of Bristol, passed away Thursday, June 9, at Kenosha Memorial Hospital. She was born Oct. 28, 1895 in Bristol, the daughter of the late John and Ann Shottliff.

She lived all of her life in Bristol until she moved to live with her daughter in Salem 3 years ago. She was a life long member of the United Methodist Church of Bristol and a life member of the Bristol Chapter No. 164 Order of Easter Star.

She married Ward Bryant on Mar. 28, 1917 and he preceded her in death Oct. 28, 1923. She later married Edward Jorgensen on Apr. 13, 1927 and he preceded her in death on Mar. 12, 1970.

Survivors are 2 daughters, Mrs. John (Carol) Westman of Cable, Wis. and Mrs. Selmer (Luella) Jacobsen of Salem; 7 grandchildren and 6 great grandchildren.

Funeral services were held Saturday at the United Methodist Church in Bristol. The Rev. Cornelius Kanhai officiated. Interment was in Union Cemetery in Union Grove. Friends desiring may make contributions to the Bristol United Methodist Church or the heart fund in her memory. Arrangements made by Strang Funeral Home, Antioch.

Margaret Engelhardt

Margaret Engelhardt, 94, of Lake Villa, passed away Friday, June 10, at the American International Hospital in Zion. She was born Sept. 16, 1882 in Austria-Hungary. She came to the U.S. in 1906 and lived in Chicago until moving to Lake Villa in 1940.

She was a member of the Royal League order of Mutual Protection in Chicago for over 50 years. She married Ernest Engelhardt in 1923 in Chicago. He preceded her in death in 1964.

Survivors are 3 daughters, Mrs. Maria (Arthur) Silverhorn of Lake Villa, Mrs. Elizabeth (George) Kilgore of Woodstock and Mrs. Evelyn (Thomas) Utterback of Huntington, W. Vir.; 1 son, George (Lillian) Engelhardt of Phoenix, Az.; 1 sister; 5 grandchildren; 12 great grandchildren and 1 great great grandchild.

Funeral services were held Monday at the Strang Funeral Home, Antioch. Interment was in Home Oak Cemetery near Antioch.

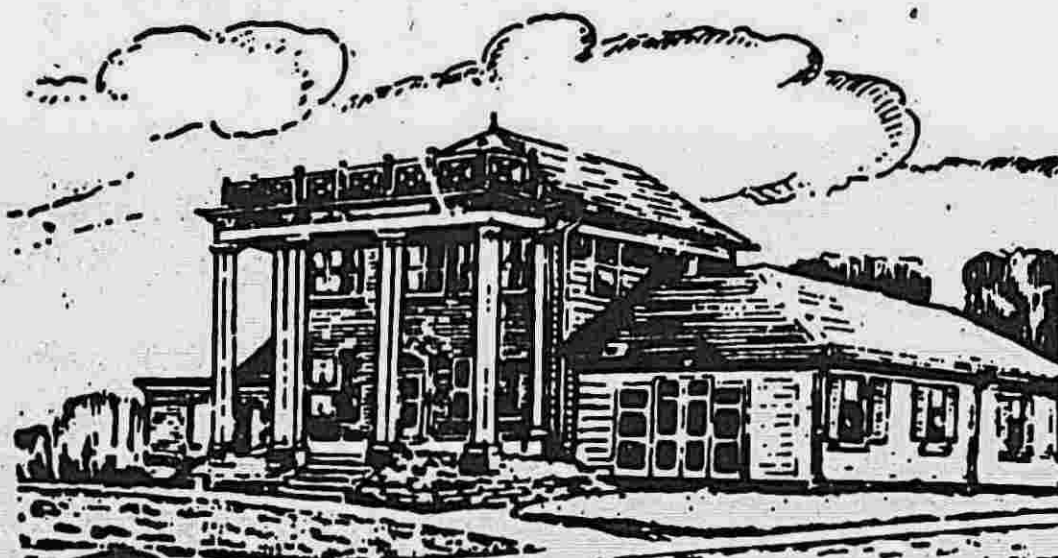

Henry Balaban

Henry J. Balaban, 68, of Silver Lake, passed away at his home Monday, June 6. He was born June 21, 1908 in Poland and came to the U.S. in 1922 to settle in Chicago where he lived until moving to Oakwood Shores 8 years ago.

He was a member of St. Alphonsus Church in New Munster, Wis. He married the former Mary Jarosz on July 21, 1927. He was a supervisor for the Chicago Rawhide Co. where he worked for 28 years, retiring in 1970.

Survivors are his wife Mary; 1 son, Chester (Charlotte) Balaban of Huntsville, Ala.; 1 daughter, Mrs. Jean (Leonard) Strum of Elk Grove Village; 1 brother; 3 sisters; 5 grandchildren.

A funeral mass was held Thursday at St. Alphonsus Church in New Munster. Interment was in St. Alphonsus Cemetery. Arrangements were made by Strang Funeral Home, Antioch.

IN THIS WORLD

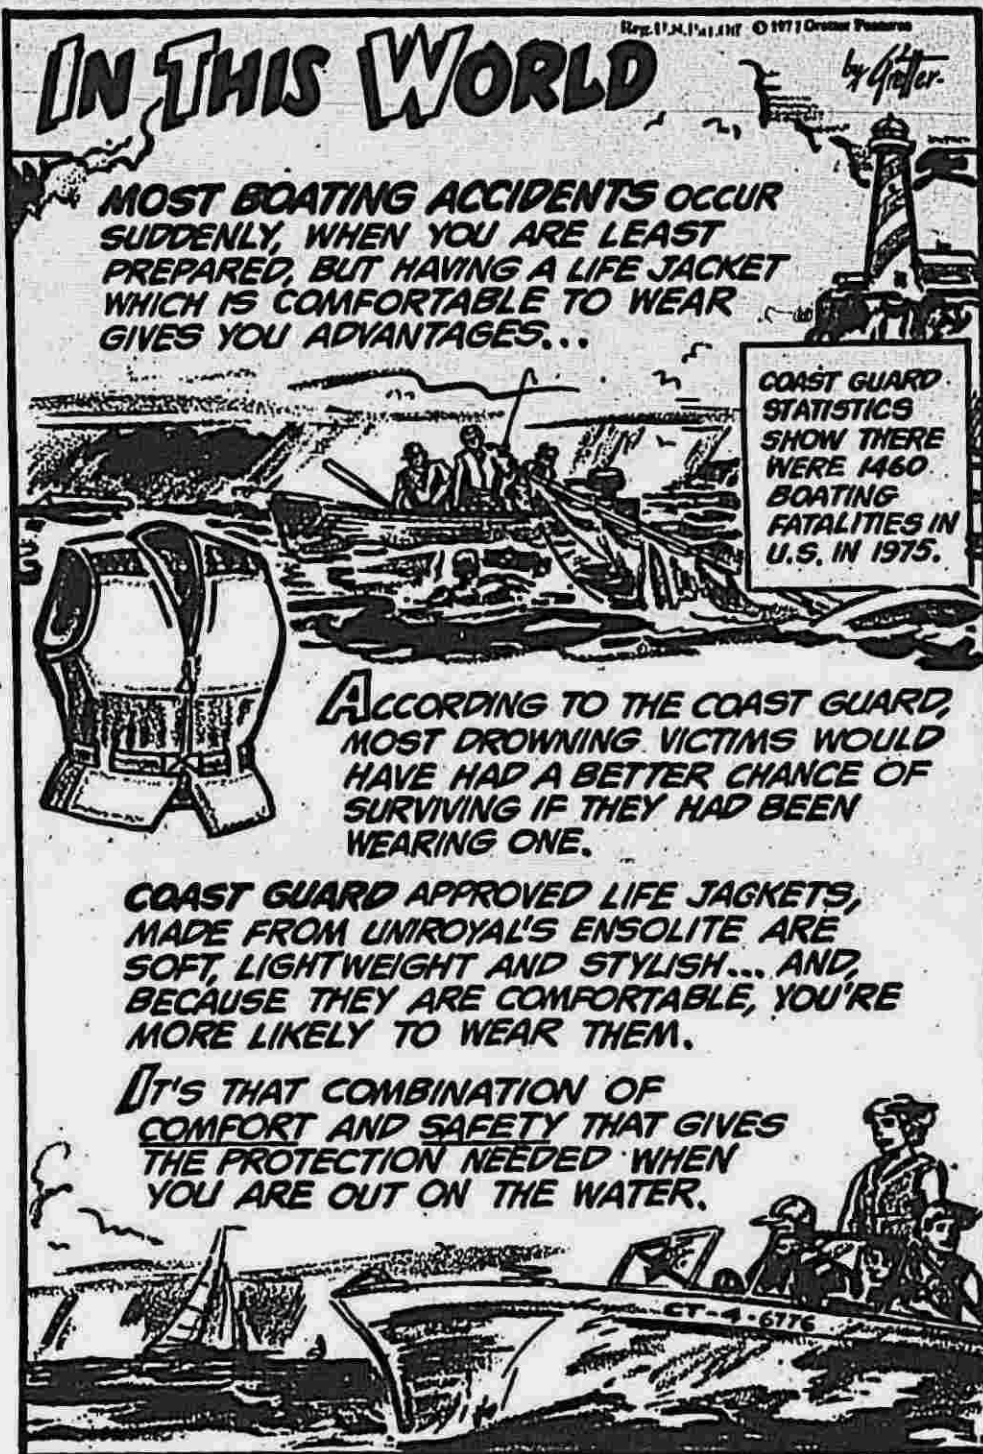

MOST BOATING ACCIDENTS OCCUR SUDDENLY, WHEN YOU ARE LEAST PREPARED, BUT HAVING A LIFE JACKET WHICH IS COMFORTABLE TO WEAR GIVES YOU ADVANTAGES...

COAST GUARD STATISTICS SHOW THERE WERE 1460 BOATING FATALITIES IN U.S. IN 1975.

ACCORDING TO THE COAST GUARD, MOST DROWNING VICTIMS WOULD HAVE HAD A BETTER CHANCE OF SURVIVING IF THEY HAD BEEN WEARING ONE.

COAST GUARD APPROVED LIFE JACKETS, MADE FROM UNIROYAL'S ENSOLITE ARE SOFT, LIGHTWEIGHT AND STYLISH... AND, BECAUSE THEY ARE COMFORTABLE, YOU'RE MORE LIKELY TO WEAR THEM.

IT'S THAT COMBINATION OF COMFORT AND SAFETY THAT GIVES THE PROTECTION NEEDED WHEN YOU ARE OUT ON THE WATER.

TODAY'S ANSWER

WHAT'S NEW

A device for improving the taste of water for household use by screening out impurities is Instant Clean. The manufacturer says that the unit can be installed on a standard tap in 30 seconds and will remove 100 per cent of chlorine, sediment, rust, algae, bad taste, odor and color. The filter is supposed to need changing only about every three years.

Grade School band makes 'good news'

By BONNIE BORLA

The Antioch Grade School Band Parents association is thanking the State Bank of Antioch for the use of its lobby for a bake sale.

We also would like to thank the people who purchased our baked goods. Without them we wouldn't have had a successful sale.

Thanks also to the following: the band parents who provided the large selection of bake goods, the band parents and students who worked at the sale, the stores that helped in the promotion of our sale, those that made donations, and the mother who baked, brought, and bought her own baked goods. (She was afraid nobody would like her cooking.)

CONGRATULATIONS TO the senior band. The band took first place at the contest at Wilmot High School. I hear they really outdid themselves.

We would like to wish the 8th grade band students the best of luck with their music. We hope we helped provide many happy memories for you. The band parents work hard to help make the band program one of the best.

The Chester Golonka Memorial scholarship award is given by the band parents to a high school senior who wishes to further his education in music. This year the award went to Gil Povilaitis.

THE TRIP the band took to Benton Harbor, Mich., for the Blossom Festival went well. I hear our band was the only one that didn't have any students faint from the heat in the parade route which was over two miles.

Glad to hear the chaperones also survived the

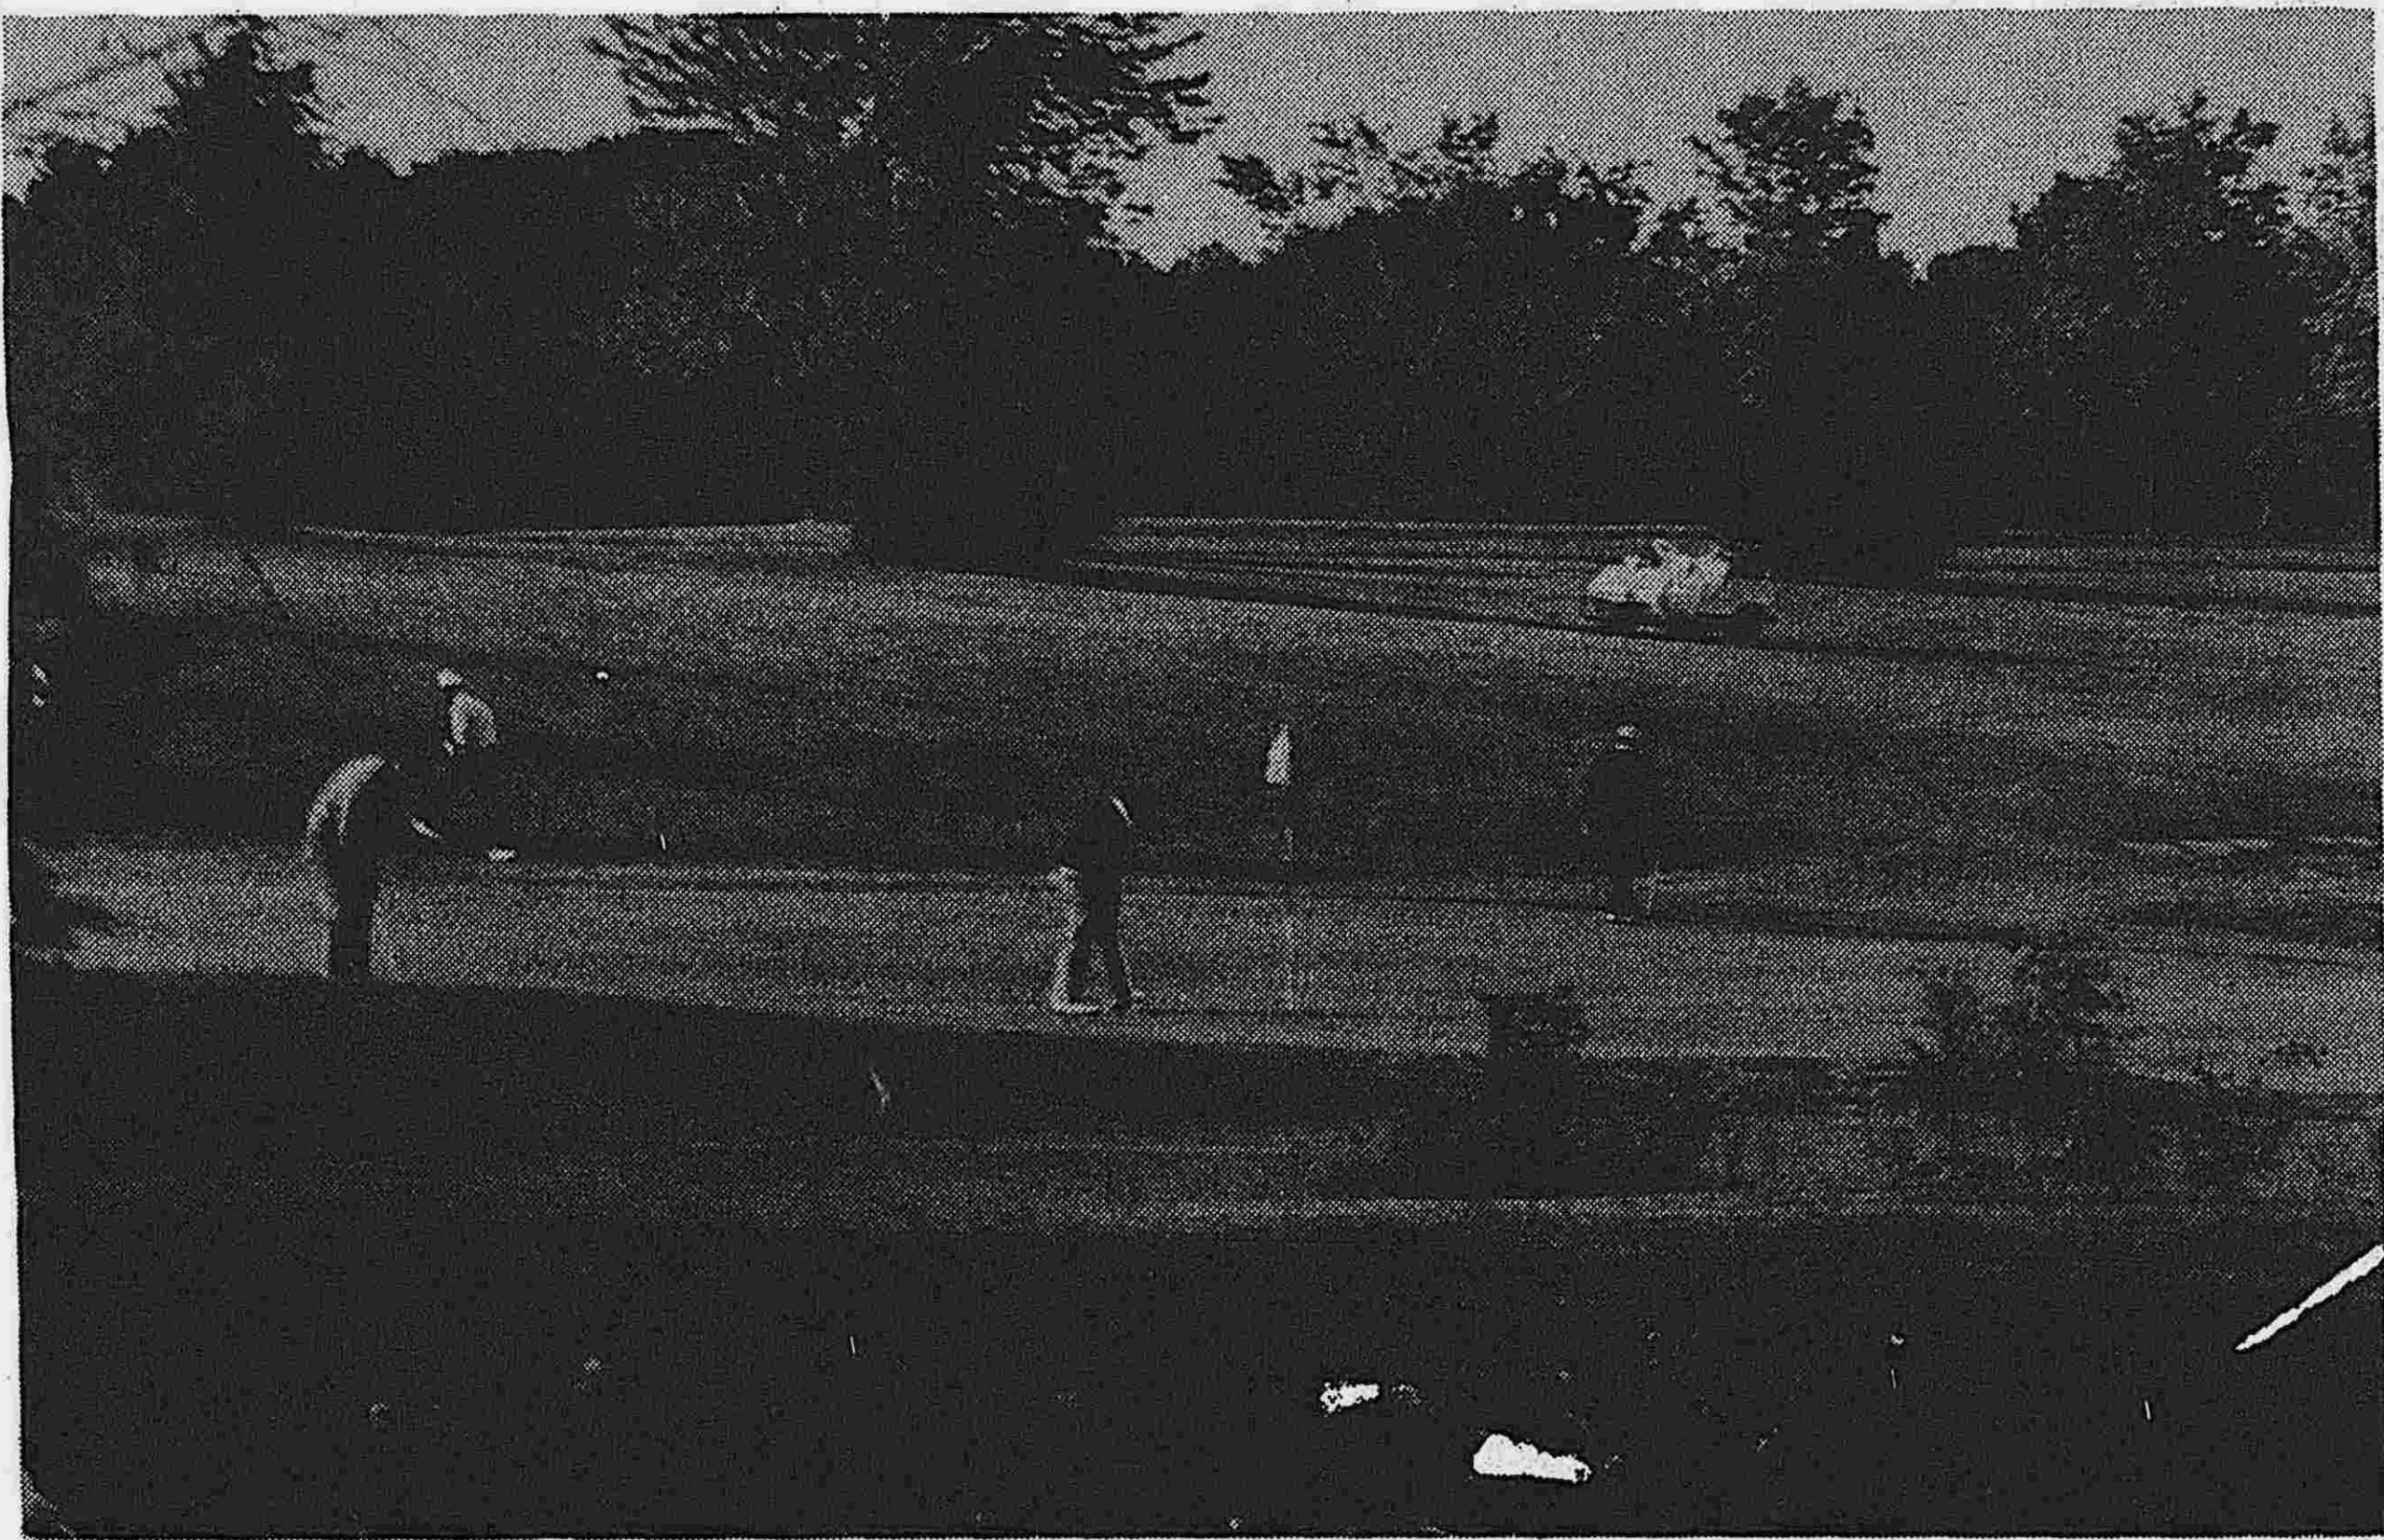

trip. The senior band banquet was held at a Holiday Inn while in Benton Harbor.

At the June 7 parents meeting a committee was picked for organizing the summer band picnic. A picnic and concert will be held in July at the end of "summer band." Glad to hear most of the students signed up for summer band.

BAND STUDENTS are being organized for our annual tag day to be held June 24 and 25. This is the first event the beginning band students get to wear a band hat. They are "tickled pink" to think they get to wear a hat and help raise money for the band.

The ways and means committee announced tentative plans for future events that will help raise money for the band trip in 1978. Please keep a look-out for the events and come and have fun while helping the band.

**We're the first to admit that all work
and no play makes Rich a dull boy.**

So we gave Rich the day off. Sunday. Any other day you'll find him back at the bank, hard at work. Because Rich believes in our effort to bring banking convenience to our customers.

Convenience. The least you should expect wherever you bank or save.
